

25TH International Aerosol Congress
Athens 27th - 29th September 2005
Hotel Apollon Divani, Kavouri

Invitation for papers

Workshop on:
new trends in manufacturing and packaging of aerosol products

During the 25th International Aerosol Congress for the afternoon of the 28th September 2005 a workshop is planned. In this workshop papers on new trends in manufacturing and packaging of aerosol products will be presented and discussed.

The main subject of the papers must be innovation in any aspect of manufacturing of aerosols , raw and packaging materials as well as quality assurance methods.

The papers must be short. The allocated time for each presentation is about 20 minutes

If you are interested in participating in the workshop by presenting a paper please make note of the following deadlines:

Submission of title and abstract : 30.9.2004

Submission of papers: 31.12.2004
